Geography

Our School and its Grounds

Star Words	Definition
Surrounding Area	The places around where a person is.
School Grounds	The land, buildings and areas that are part of a school.
Aerial View	A picture of something from up high like a bird looking down at the ground. It is also known as a birds-eye view.
Map Symbol	Small pictures, letters or colours used on a map to show real places and things.
Human Feature	Things that you can see around an area that have been made by humans.
Physical Feature	Things that you can see around an area that have not been made by humans.

Aerial view of our school.

Sticky Knowledge

Features of our school and surrounding area:

Human

Human

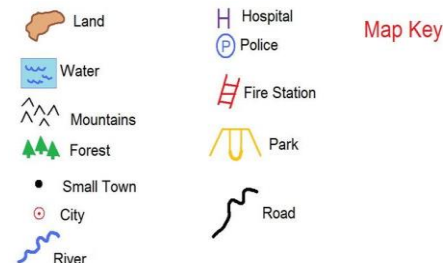

Physical

Our school address is:
Manor Leas Infant School
Hykeham Road
Lincoln
Lincolnshire
LN6 8BE

A map is an image that shows you where an area is and what is there. Most maps use a key and map symbols to show where different features there are.

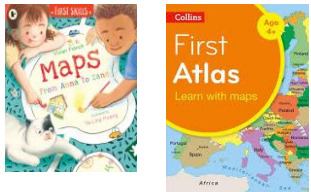

Human features are made by humans.

Physical features are natural and are not made by humans.
