**The creation story**

Christianity and Judaism share a common creation story which is recorded in the book of Genesis (chapters 1 and 2). This is the first book of the Bible and the first book of the Jewish Torah. In this account God creates the world in six days. On the sixth day, God creates humans, Adam and Eve, in his own image.

**Adam and Eve – The fall**

This refers to what happened when Adam and Eve disobeyed God. This is called 'sin' by Christians and is known as 'the fall.'

**Shabbat**

Shabbat begins at sunset on Friday evening and ends at sunset on Saturday evening. Services in the synagogue are usually led by the rabbi. Public worship allows Jews to show love for G-d, listen to the Torah and worship together as a community.

**Sabbath day**

Sunday is a special day for Christians as it commemorates the resurrection of Jesus (John 20:10). Christians may attend church services and some will do no work and spend time with the family.
