FOOD ALLERGY AND INTOLERANCE POLICY

Kidz Kitchen in line with the EU Food Information for Consumer Regulations 1169/2011, provides full details of the 14 Named Food Allergens for all our dishes.

This Allergen list is provided to all our schools, as well as being available to download on our main website. We also provide a link directly from the menu pages of the parent portal when ordering meals.

It is the parents/carers responsibility to ensure that we Kidz Kitchen Ltd and the relevant school are made aware of any allergens or intolerances to food your child may have. You can call us directly on 01522 536450 or email info@kidzkitchen.co.uk please ensure you include your child's name and school. You must also complete the special dietary requirements section when registering your child. It is also your responsibility to ensure this is kept up to date. We can provide an alternative menu for most allergens and/or intolerances.

Most of the Named Allergens are used throughout our kitchen and although we prepare allergen free meals in a separate area of the kitchen with care, we can not 100% guarantee that these meals are free of allergens.

Our Kitchen is nut free, and we do not use any ingredients that contain nuts. However, we do occasionally use products from our suppliers that do contain the warning "may contain nuts", "may contain peanuts" therefore we cannot guarantee any food supplied is nut free.

PLEASE NOTE:- we cannot guarantee that any of the products or ingredients that we use have come from nut free factories
