Design and Technology

Textiles – Coin Pouch

Star Words	Definition
product	Something that has been made for a purpose.
felt	A strong fabric that does not fray at the edges.
thread	A long, very thin piece of a material that is used for sewing.
stitch	Pieces of thread that have sewn two pieces of fabric together.
template	Used to help cut materials accurately or make the same shape many times.

Home Learning Ideas

- Draw a design for a finger puppet of your favourite animal or character.
- Make the finger puppet that you have designed using felt and thread.

Sticky Knowledge

Coin pouch

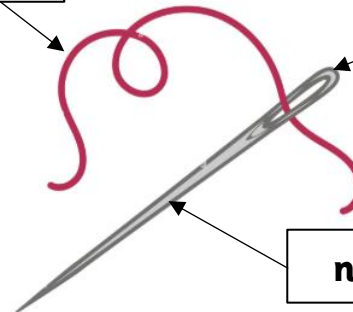

Template

Felt is a good fabric to use for sewing projects because it is strong, colourful and does not fray around the edges.
