Art and design

Explore and draw – Drawing and Sketchbooks

Star Words	Definition
Observation	Looking closely and carefully.
Continuous line drawing	A way of drawing an image with a single line without lifting the drawing tool from the paper.
Composition	How an artist arranges the different parts in a piece of art.
Texture	The feel and look of the surface of an object.

Sticky Knowledge

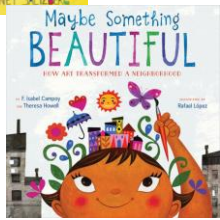

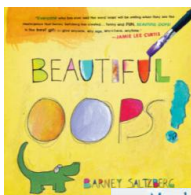

Drawing tools

- Graded pencils
- Black biro
- Charcoal
- Wax crayon
- Watercolour paint

Helpful Books

Home Learning Ideas

- Go on a nature walk and collect a basket full of natural objects, can you arrange them at home to create some found art.
- Can you photograph your composition?

Key Artists

- Andy Goldsworthy
- Alice Fox
- Nicola White

Key concepts

- Artists can find inspiration all around us in our everyday environments.
 - We can explore our environment and collect items that inspire us.
 - We can explore composition by arranging the items we have collected.
 - We can use careful looking to practice observational drawing.
 - We can hold an object and make a drawing based on the way it feels.
 - We can combine different drawings made with different tools in one piece of art.
- We can work small in our sketchbooks and on large sheets of paper, exploring line, shape and texture in our work.
