Geography

Our Local Area

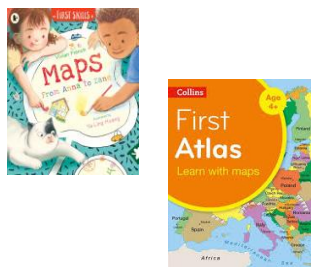

Star Words

Definition

Aerial View	A picture or way of looking at something from up high like a bird looking down at the ground.
Map	A drawn representation of a certain area.
Map Symbol	Small pictures, letters, or colours used on a map to show real places and things.

Helpful Books

Home Learning Ideas

- Go for a walk following a map and identify the different features you see.
- Write a postcard to someone who lives at your address.

Helpful Websites

Sticky Knowledge

Key features of our local area:

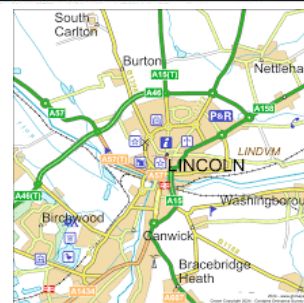

- River Witham
- Boultham Park
- St Hughs Church
- Manor Leas Schools
- Ruston Sports Club

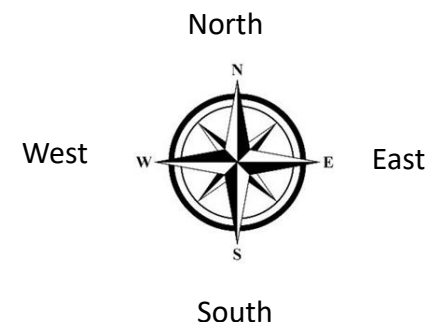

The River Witham is **east** of our school. Richmond Lakes are **west** of our school. We will walk **north-east** to Boultham Park.

Map Key

Compass Points

A map is an image that shows you where an area is and what is there. Most maps use a key and map symbols to show where different features are.

Remember- Naughty Elephants Squirt Water.
